Motek/Bondexpo in Stuttgart

Concise, Relevant Thematic Structure!

Motek/Bondexpo is characterised by a unique feature: the trade fair duo covers the entire process sequence for economical automation in production and assembly – from components and modules, right on up to subsystems and complete solutions.

Cross-Industry Visitor Target Group!

Motek/Bondexpo's target group comprises manufacturing companies from all industry sectors. Anyone looking to automate a process – for example machine building, equipment and systems manufacturing, automotive engineering and vehicle production, sheet metal working, plastics processing, metalworking and processing, woodworking, electronics and electrical engineering, laboratory automation, healthcare and medical technology – will find the right components and solutions at Motek/Bondexpo!

Complementary Trade Fair Duo!

Modern bonding technology is indispensable in the manufacturing industries – it's considered a key technology! That's why Bondexpo is an important supplementary aspect of the trade fair duo.

Highly Practical Technology and Business Platform!

YOUR solutions are indispensable for the future of manufacturing too! That's why Motek/Bondexpo is the ideal business platform for YOU as a supplier! Because YOU provide manufacturing companies with sustainable solutions in order to master the challenges posed by industrial operations.

 **Be on hand as an exhibitor!**

- V.** Measuring, testing, inspection / quality assurance
- VI.** Automation
- VII.** Image processing, sensor technology, analysis tools / software
- VIII.** Production peripherals and packaging
- IX.** Organisations, associations, technical communication, training and professional development, services etc.

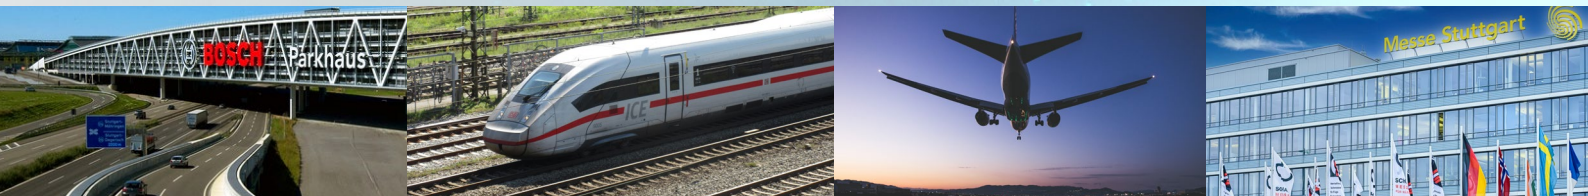

Motek/Bondexpo in Stuttgart - an Innovative Region with Global Appeal

Situated at the heart of one of Europe's strongest and most innovative economic regions with outstanding international, national and regional travel connections for exhibitors as well as visitors.

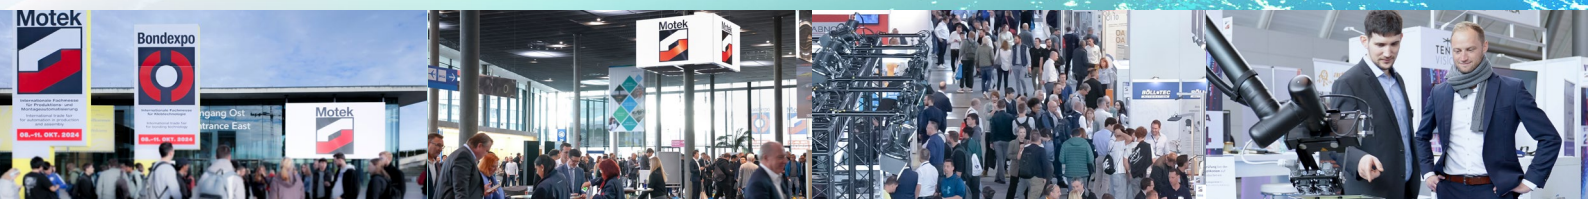

Peak Economic Power

The Stuttgart region ranks among the **economically strongest** and **technologically most advanced** locations in Europe. In addition to its high quality of life, the region is characterised by its innovative strength and international appeal – a powerful magnet for companies, skilled workers and investors.

Central Location with Ideal Infrastructure

The Stuttgart Exhibition Centre is located directly adjacent to Stuttgart **International Airport** – a unique advantage throughout Germany. It's just a three-minute walk from the arrivals terminal to the trade fair entrance. Thanks to its central location **in the middle of Europe** and excellent travel connections via motorway and intercity transport, Motek is easy to reach for exhibitors and visitors.

Motek 2026
**Your Key Market for the Future
of Automation!**

Marketing Services at a Glance

➡ Schall Inclusive

Schall makes trade fairs for markets – significant, internationally established trade fairs which have been around for many decades. With their clear focus on content, each of our technically specialised events is held at an ideally located trade fair venue in Europe's respectively leading technology regions. It's especially important for us to provide exhibitors with clearly defined trade fair offerings, including practical marketing services. After all, agreements are always best when they're simple – and with us **simply everything is included.**

The exhibitor package includes all of the following:

- Unlimited number of co-exhibitors
- Second-storey free of charge
- Free exhibitor IDs depending on booth size
- Unlimited number of expert visitor tickets, digital

Fresh Ideas for Future Production at the Startup Area

With its Startup Area, Schall trade fair promoters have meanwhile created a suitable platform for establishing contact with other suppliers, expert visitors and potential customers. Many success stories have been launched to the market here at Motek/Bondexpo. Startups can book an **attractive all-round carefree package** including booth setup and marketing. The prerequisite for participation is plainly evident: exhibited products must be relevant for production and assembly automation and provide customers with added value.

START UP AREA

Registration for Start-up Area

Applicable VAT is added to all quoted prices.

Motek meets Vision

Two Leading Trade Fairs, a Single Location, Consolidated Appeal

For the first time ever, the Motek international trade fair for automation in production and assembly will cooperate closely with the international VISION trade fair for image processing in 2026. Both events will take place at the same time at the Stuttgart Exhibition Centre, and can be enjoyed by all visitors with just a single ticket. **Concurrent, connected, networked.**

Profit from Motek as an Exhibitor:

-  **Extended visitor coverage** and a selective approach to new target groups.
Meet customers with specific needs for networked, intelligent automation.
-  **Increased visibility** thanks to joint media power: the combination of two well-established, leading trade fairs ensures high levels of media attention, cross-media presence and an extended range of communication.
-  **International appeal of the venue in Stuttgart:**
as a leading technology centre and cluster region for automation, production technologies and smart industry, Stuttgart offers an ideal setting for business, innovation and networking at an international level.
-  **More efficiency, greater impact:** a shared trade fair timeframe means bundled communication, a highly focussed approach to target groups and optimised use of resources.

Motek Side Events

In addition to the technical exhibition, an attractive supplementary programme is indispensable for gathering additional expert knowledge concerning modern automation for industrial production. Motek/Bondexpo offers **considerable added value** to all industry players:

-  **Technical presentations at the exhibitor forum**
-  **Smart Interaction Zone - Human. Machine. Together**
– experience live demonstrations of products in action in cooperation with media partner Pelemedia GmbH.
-  **INDUSTRIAL Production Technical Congress:**
AI in the Production Environment – in cooperation with media partner Pelemedia GmbH

Foreign representatives

A powerful network around the globe

Schall makes trade fairs for markets – global markets. P. E. Schall GmbH & Co. KG's highly skilled foreign representatives are authorised to organise internationally important trade fairs in their respective countries. Competent and experienced, they offer exhibitors and media companies a comprehensive **portfolio of services**.

From A for acquisition of exhibitors and booth setup assistance **to Z** for zealous, future-oriented media work – we maintain close contacts with market players in the respective national language.
